ANNUAL REPORT

OF THE

ELECTION DEPARTMENT

FOR THE YEAR 1950.

Boston, January 31, 1951.

Hon. John B. Hynes,
Mayor of the City of Boston.

Sir,— In compliance with section 24, chapter 3, of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

Registration.

In accordance with chapter 246 of the Acts of 1945 registration was held continuously at the central office from January 3 to August 18, inclusive, from September 20 to October 6, inclusive, and from November 8 to December 31, inclusive. Registration in wards was held on August 7, 8, 9, 10, 11, 14, 15, 16, 17, and 18, from 6 p. m. to 10 p. m., for the State Primary; and September 25, 26, 27, 28, 29, October 2, 3, 4, 5, and 6, from 6 p. m. to 10 p. m., for the State Election. This registration was held in two places in different sections of each ward, ten nights in each place.

Registration for the Special City Election in Ward 7, held on September 12, was continued to and closed on September 5. Registration for this Special Election was held in the central office from 9 a. m. to 5 p. m., and on September 5, from 9 a. m. to 10 p. m.

Number of Voters.

At the City Election held November 8, 1949, the number of voters on the list was 404,220. The number of such voters in the first list published by the Board July 15, 1950, was 365,042. From that time to the close of registration for the State Election there were added the names of 40,984 voters. Included in this latter figure are the names of 9,658 voters who were omitted from the 1950 police listing and who were restored to the voting list without registration, under the provisions of chapter 244 of the Acts of 1947. The number of voters on the final list sent to the polls on the day of the State Election, held November 7, 1950, was 406,026, an increase of 1,806 from the number on the list at the preceding City Election. The number of voters on final list December 31, 1950, was 406,128.

Nomination Papers and Referendum Petitions.

The Board received 2,007 nomination papers for the State Primary, on which 35,759 names were certified; 294 independent nomination papers for the State Election, on which 7,939 names were certified; 366 papers were submitted on 3 initiative petitions on which 4,500 names were certified; and 14 petitions for recounts of ballots cast, on which 1,560 names were certified. This makes a total of 2,024 papers, on which the names of 41,819 voters were certified.

Revision of the Voting List.

The names of 4,493 voters were stricken from the voting list by reason of death, removal from the city, and other causes.

Jurors.

The jury list prepared by the Board in 1950 contained the names of 9,194 voters of Boston. During the time covered by this report, 2,229 were drawn for jury service.

Registration of the Physically Disabled.

In accordance with the provisions of chapter 196 of the Acts of 1946, persons qualified to vote but unable to appear at a registration office because of physical

disability were examined for registration in their homes or other places of confinement upon receipt of an application for such registration. Applications were received from 8 such persons. Of that number, 7 were found to be qualified and were duly registered; 1 was found to be a registered voter on the current voting list. No applications were received after the closing date established by law. Persons found qualified to register were furnished with applications for absentee ballots for the State Election.

SUPPLEMENTARY REGISTRATION OF SOLDIERS AND SAILORS.

Under the provisions of chapter 51, sections 50 and 51, of the General Laws, 3 persons in the military service were registered as voters in Boston during the period from the close of registration to the third day preceding the State Election.

Assistant Registrars were assigned to give demonstrations in the evening in each ward. The public was notified as to the dates and locations of these demonstrations through the newspapers.

Demonstrations for the Primary were held on September 13 and 14, from 6 p. m. to 9 p. m., and for the Election on November 2 and 3, from 7 p. m. to 10 p. m.

There were 109 voting-machine precincts in the 1950 State Primary and Election, and election officers were instructed in their respective duties by the Voting Machine Custodian, and were given certificates when qualified.

The results as demonstrated at these two functions were highly satisfactory.
